

AIRSTREAM[®] Rangeline

2025 TOURING COACHES

About Rangeline

Beyond typical. Beyond your comfort zone. Beyond the everyday. In the Airstream Rangeline Touring Coach, you can explore beyond your expectations while you make your travel dreams come true. Behind the wheel of Rangeline, you're in control – with the freedom to go wherever the road takes you and explore a new travel frontier. And with Airstream's iconic hand-made craftsmanship throughout the interior, you're traveling in an unparalleled blend of style and functionality.

Built on the proven RAM ProMaster® 3500 chassis, Rangeline features a modern floor plan and European-inspired decor that puts a premium on flexibility. Whether heading out on a long road trip or simply heading across town, this 21-foot hand crafted camper van turns road travel into a seamless experience where you relish the journey to and from as much as you do the destination. Simplicity and utility are built into its design DNA, with all onboard systems powered by the fuel in the gas tank, ample storage throughout, and an optional pop-top that provides an additional living and sleeping area above the van.

Whether you're traveling with your family, heading out on a mobile couple's adventure, or hitting the road for a solo road trip, it's the little things in Rangeline that make it one of the most exciting touring coaches in our fleet. From a clever bed system that folds up for increased gear storage to pet-friendly amenities that make it easy to bring along adventurous four-legged friends, Rangeline lets you make the most of your travel experiences every time the lure of the open road calls.

Get behind the wheel of the Airstream Rangeline Touring Coach and explore beyond your expectations.

An optional pop-top for extra sleeping, living, or storage space

Modern, functional European styling with delightful surprises throughout

A high-capacity battery and a simple, single-fuel-source comfort system for ease of use

Décors

“Traveling and camping with a couple kids in tow can be messy, but the materials make it so easy to clean up. We spend a lot less time cleaning, and more time enjoying the adventure.” **MARCUS AND JANELLE** Rangeline Owners

Floor Plan

Step through Rangeline's sliding door and you'll find an expansive interior with soft wood tones and elegant lines inspired by the very best of European RV design. Flexible storage and multi-use functionality are key components to a comfortable, efficient use of space, and Rangeline delivers on all levels. From the three-in-one wet bath to the stowable stovetop and versatile table system that adjusts for spacious meals, work from anywhere sessions, or board game nights with the family, Rangeline's floor plan anchors your experience.

Exterior Features

Built on the proven RAM ProMaster® 3500 chassis, Rangeline features a 3.6L Pentastar® V6 engine with 276 horsepower and a nine-speed automatic transmission with plenty of power to go. Front-wheel drive and an Electronic Park Brake reduce mechanical components for a simpler and more dependable RV. And safety and convenience features come standard, giving you peace of mind as you travel.

1 The sleek automotive design features a matte black front grille.

2 Water hookups are concealed behind a natural design.

3 Powder-coated running boards with raised tread provide safe entry and exit.

4 A cleverly designed pet tether lets you safely secure four-legged friends.

5 Optional pop-top has a large bed and opens up storage, living, and sleeping areas.

6 A 12-foot awning with legs expands to create a shady exterior living space.

Why You'll Love It

Rangeline is the perfect way to upgrade from car camping or traditional tent camping. Trade your backpacks for onboard storage, bring along a bathroom and kitchen, and experience the minimalist luxuries of Airstream amenities and craftsmanship.

Family friendly and built for today's modern adventures, Rangeline is well-equipped for weeks-long sojourns and nimble enough for cross-town jaunts to pick up the kids or grab groceries.

The best adventures feature our best friends, and Rangeline is Airstream's most pet-friendly model, with an integrated leash anchor point and concealed pet food bowls that stow away when not in use.

And because big adventures require ample power, Rangeline's 270 Ah Deep Cycle Lithium Battery gives you ample power for off-grid adventures.
